

What Morris Dancing Means to me

Cerys Ayre, 12

Dancer with Steps in Time

I took these photos at the Swanage Folk Festival. They show many of the different sides there. They show the variety of dance types that make up Morris.

I dance with Steps in Time. We do very traditional dances. When I am older I think it would be fun to dance with bells or maybe sticks.

All the dancers are really friendly. We are all good friends at Steps in Time.
