

Open Morris Secretary's Report 2024 - 2025

It was a joy to welcome some of you to Redruth in person and virtually last year at the AGM.

This year I have supported the Open Morris Committee mostly with administration tasks, manning the secretary email account. Preparing agendas and writing minutes for meetings, as well as attending meetings online for Open Morris and the JMO.

Unfortunately this year I was unable to make the JMO day of dance as I was working, but am hoping to make up for it next year as it's such a lovely way to meet you.
