Open Morris Secretary’s Report 2026

This year I have supported the rest of the Open Morris Committee by attending and minuting committee meetings.

I have also attended and contributed to JMO meetings as one of our OM representatives.

I have also helped with the arrangements for our AGM, helping to prepare paperwork working within the deadlines set out in the secretary's guide.

As well as this I have also enjoyed responding to our members emails.

Hetty Bevington
Open Morris Secretary
November 2026
